WILO PUMPS
Pumps and systems for HVAC, water supply, industrial, sewage; booster, skids, multi-stage

AMERICAN WHEATLEY
Separators, tanks, valves, flex connectors, custom tanks, ASME-rated equipment

AMERICAN MARSH
Turbine pumps for HVAC, industrial, municipal, and agricultural applications

ANDRE HVAC
Vibration, shock, and noise control products for HVAC and industrial applications

API HEAT TRANSFER
Shell/tube, plate/frame, brazed plate, food processing equipment

BARD MANUFACTURING
Vertical, water and air source heat pumps, air conditioners, humidity control

BUFFALO AIR HANDLERS
High-volume, low-leakage, custom-designed air handling systems - for institutional and industrial applications

CAMUS HYDRONICS
Gas-fired & electric stainless and copper tube boilers, water heaters

CLIMACOOL CORP
Configurable Modular Chillers: Water Cooled, Air Cooled, Heat Pump & Heat Recovery

CLIMATECRAFT
Custom Configurable AHU's: site-assembled replacement AHU's; ERUs and Stand-alone Fan Arrays

CLIMATEMASTER
Water Source Heat Pumps: Horizontal, Vertical, Water-to-water & RTU

DELTA COOLING TOWERS
Evaporative cooling towers, skidded systems, air strippers, degasifiers, scrubbers; anitimicrobial options

DUNHAM-BUSH
Chillers, DOAS, ice thermal storage, RTUs, air handlers, ice rink chillers, air conditioners

DURAVENT
Stainless steel and polypropylene flue, pressure vent, duct systems. for boilers, grease hoods, and generators

EVERGREEN-UV
Ultraviolet light in-duct, upper-air, and surface pathogen reduction systems

GAYLORD
Commercial kitchen and air demand ventilation controls

HAYS FLUID CONTROLS
Automatic fluid control valves, piping packages, risers, etc.

ICE WESTERN
Industrial/HVAC systems including make-up air units, rooftop units, energy recovery, and direct or indirect fired

IEC
Fan coil units: vertical stack, floor, horizontal, Hi-Performance, Sure Flow

VHF Sales, Inc.

"We are here to help you select, size, and budget for your next project."

INVERTEK DRIVES
VFDs for HVAC and industrial motors

MACROAIR
Designer, industrial grade, ceiling mounted, HVLS fans (6' to 24')

MACURCO
Intelligent Fixed and portable gas detection and refrigerant systems

NEXGEN - DOAS
DOAS; Fresh air systems for indoor air quality

NA ENCLOSURES
Unit Mounted, Post Mounted, and Curb Mounted Architectural screening systems. Spinnaker

PLAD PUMPS
Specialized pumping solutions for hydronic heating and cooling systems; precision-engineered for performance and reliability

POLAR GLOBAL-HVAC
Slimline fan coil systems, cassettes, grow industry dehumidifiers

SECURITY CHIMNEY
AL29-4C flue draw latch systems, zero-clearance applications

Q-MARK
high-quality electric heating and ventilation solutions

SCOT PUMP
Pumps for HVAC, agriculture, and industrial; WILO, American Marsh Pumps

SOLER & PALAU
Reliable, energy-efficient ventilation products for commercial, industrial, and residential applications.

STEAMOVAP
Commercial and Industrial Humidifiers

STERLING HYDRONICS
Finned tube, convector enclosures, baseboard radiation, electric heaters, steam and hot water unit heaters

STERLING HVAC
Rooftop and indoor make-up air units. unit heaters, duct furnaces

SYSTEMAIR
Ventilation, heating, and cooling products.

THERMAL CARE
Industrial chillers, adiabatic fluid coolers, skid systems, fiberglass cooling towers.

TUTTLE & BAILEY
Terminal air boxes, VAV boxes, hydronic coils

USA COIL & AIR
Replacement and custom coils, tube bundles, air handlers, condensing units, unit heaters

WATERLINE CONTROLS
Water-based switches with a limited lifetime warranty.

AIR +
UL 2998-certified needlepoint ionizers for HVAC systems. Auto-cleaning, ozone-free, and built for high-performance air purification
