WILO PUMPS

Pumps and systems for HVAC, water supply, industrial, sewage; booster, skids, multi-stage

CLIMATECRAFT

Custom Configurable AHUs: Water Cooled, Air Cooled, Heat Pump & Heat Recovery

AMERICAN WHEATLEY

Separators, tanks, valves, flex connectors, custom tanks, ASME-rated equipment

CLIMATEMASTER

Water Source Heat Pumps: Horizontal, Vertical, Water-to-water & RTU

AMERICAN MARSH

Turbine pumps for HVAC, industrial, municipal, and agricultural applications

DELTA COOLING TOWERS

Evaporative cooling towers, skidded systems, air strippers, degasifiers, scrubbers; antimicrobial options

A WILO COMPANY

ANDRE HVAC

Vibration, shock, and noise control products for HVAC and industrial applications

DUNHAM-BUSH

Chillers, DOAS, ice thermal storage, RTUs, air handlers, ice rink chillers, air conditioners

API HEAT TRANSFER

Shell/tube, plate/frame, brazed plate, food processing equipment

DURAVENT

Stainless steel and polypropylene flue, pressure vent, duct systems. for boilers, grease hoods, and generators

EVERGREENUV

Ultraviolet light in-duct, upper-air, and surface pathogen reduction systems

BARD MANUFACTURING

Vertical, water and air source heat pumps, air conditioners, humidity control

GAYLORD

Commercial kitchen and air demand ventilation controls

BUFFALO AIR HANDLERS

High-volume, low-leakage, custom-designed air handling systems - for institutional and industrial applications

HAYS FLUID CONTROLS

Automatic fluid control valves, piping packages, risers, etc.

CAMUS HYDRONICS

Gas-fired & electric stainless and copper tube boilers, water heaters

ICE WESTERN

Industrial/HVAC systems including make-up air units, rooftop units, energy recovery, and direct or indirect fired

CLIMACOOL CORP

Configurable Modular Chillers: Water Cooled, Air Cooled, Heat Pump & Heat Recovery

IEC

Fan coil units: vertical stack, floor, horizontal, Hi-Performance, Sure Flow

VHF Sales, Inc.

"We are here to help you select, size, and budget for your next project."

INVERTEK DRIVES

VFDs for HVAC and industrial motors

JJM ALKALINE TECH.

Condensate neutralizers

MACROAIR

Designer, industrial grade, ceiling mounted, HVLS fans (6' to 24')

MACURCO

Intelligent Fixed and portable gas detection and refrigerant systems

NEXGEN - DOAS

DOAS; Fresh air systems for indoor air quality

NA ENCLOSURES

Unit Mounted, Post Mounted, and Curb Mounted Architectural screening systems.

PLAD PUMPS

Specialized pumping solutions for hydronic heating and cooling systems; precision-engineered for performance and reliability

POLAR GLOBAL-HVAC

Slimline fan coil systems, cassettes, grow industry dehumidifiers

PRECISION BOILERS

Electric, gas, oil, steam, and jet electrode boilers; skid packages, deaerators, feeders, flash tanks, accessories

Q-MARK

high-quality electric heating and ventilation solutions

SCOT PUMP

Pumps for HVAC, agriculture, and industrial; WILO, American Marsh Pumps

SECURITY CHIMNEY

AL29-4C flue draw latch systems, zero-clearance applications

SOLER & PALAU

Reliable, energy-efficient ventilation products for commercial, industrial, and residential applications.

STEAMOVAP

Commercial and Industrial Humidifiers

STERLING HYDRONICS

Finned tube, convector enclosures, baseboard radiation, electric heaters, steam and hot water unit heaters

STERLING HVAC

Rooftop and indoor make-up air units. unit heaters, duct furnaces

SYSTEMAIR

Ventilation, heating, and cooling products.

THERMAL CARE

Industrial chillers, adiabatic fluid coolers, skid systems, fiberglass cooling towers.

TUTTLE & BAILEY

Terminal air boxes, VAV boxes, hydronic coils

UNITED ENERTECH

Louvers, dampers, rooftop equipment

USA COIL & AIR

Replacement and custom coils, tube bundles, air handlers, condensing units, unit heaters

WATERLINE CONTROLS

Water-based switches with a limited lifetime warranty.

AIR +

UL 2998-certified needlepoint ionizers for HVAC systems. Auto-cleaning, ozone-free, and built for high-performance air purification
